TFH
Economic FTTH Tools Kit

Features

● Compact and lightweight, easy to carry.
● Anti-drop design, effectively protect the equipment.
● Large capacity and complete configuration.
● Various cleaning and test tools combinations.
● Harsh weather adaptability, improve work efficiency.

Applications

● Fiber connector cleaning and maintenance.
● Fiber loss measurement.
● Fiber cutting and construction.
● Optical communication engineering, transmission room, laboratory, optical cable network maintenance and installation.

Configuration List:

Model	TFH–4E	TFH–8E	TFH–9SC
Optical power meter	0	1	1
Fiber cleaver	1	1	1
Visual fault locator	0	1	1
Fiber cleaning platform	0	1	1
Battery	0	1	1
Alcohol for cleaning	0	2	2
Fiber stripper	1	1	1
FTTH cable stripper	1	1	1
SC Quick coupler	0	0	50
Waterproof carrying bag	1	1	1

Packing List:

For TFH–9SC/8E

For TFH–9SC/8E

For TFH–9SC/8E

For TFH–9SC

For TFH–9SC/8E

For TFH–9SC/8E
